

LAUNDROMAT

art project space

about us.

The Laundromat Art Project Space [LAPS] is a newly established non profit art gallery space in the Tauranga CBD. A creative hub to celebrate the promotion and discussion of ideas surrounding contemporary, innovative and experimental art. LAPS has a strong focus on emerging artists and aims to encourage the formation of ideas away from commercial restraints.

To achieve an environment of like-minded individuals, LAPS also gives artists the opportunity to lease studio space onsite. Enquiries for lease space are welcome.

mission statement.

LAPS strives to expose the wider community to a diverse range of art to challenge traditional thinking. We seek to offer an environment where creatively minded individuals can interact and emerging artists can achieve exposure.

objectives.

To expose the community to a diverse range of experimental and contemporary art that challenges thinking and encourages creative expression.

- To maintain a non-profit method of operation.
- To offer emerging artists the opportunity for exposure.
- To create a place of refuge where creatively minded individuals can interact and thrive.
- To establish a strong network of individuals with appreciation for innovation and creativity.
- To create a series of exhibitions which leave a lasting impression on even the most discerning observer.
- To offer a premises where non profit organizations can hold events to promote the creative community.
- To place emphasis on artwork which exceeds the realms of traditional painting.
