---

## PROFILE

---

After a few months of job hunting after graduating from Wanganui School of Design with a degree in Bachelor of Computer Graphic Design in July 2009, I have been working as a contractor at *Parkview Motorcamp*. As part of the motorcamp, I have worked on several projects in collaboration with some of New Zealand's most creative talents. The experience that I have gained from *Parkview Motorcamp* has strongly enhanced my knowledge and professional skills in graphic design.

---

## CHARACTER TRAITS

---

I am a reliable and hardworking person, and I believe everyone has the responsibility to both his/her job and life. I have a huge passion for design, especially for print and typography. I believe that as graphic designers, we have the responsibility to create visual solutions to solve problems.

---
